

Hazlehead Academy Mountain Bike Club

Organisation: Hazlehead Academy Mountain Bike Club

Aim: The mountain bike club aims to get the pupils more involved and interested in what cycling has to offer. This includes promoting health benefits, socialising and taking on a new hobby or skill.

Bursary amount: £1,000

Spend: The bursary has been spent on providing pupils with bike trailers to enable pupils to carry their luggage more easily.

The group plan to use the trailers on their next trip in August when they go to the Cairngorms for the weekend. They will also use the trailers on local rides around the school area.
