

Organisation: Keig Under Fives Charity

Aim: Keig Under Fives is based in the community hall in Keig School in Alford. The charity works with children aged five and under and their families / carers to promote learning through play. With the bursary, sports and arts and crafts equipment will be provided for the children.

Bursary amount: £1,000

Spend: The charity has bought arts and crafts materials for the children. The charity also held a summer sports day where fifteen children enjoyed an action packed day with some old favourites like the egg and spoon race and the sack race and some popular additions like the space hopper race. The charity's new 'Waterbath' - also bought with the Union Square Community Bursary - proved a hit with the children too, helping them cool down after their events.
